Erasmus+

AGENCIJA ZA
MOBILNOST I
PROGRAME EU

CREATION OF CULTURE

23. - 30.09.2019.
VINKOVCI, CROATIA

PARTNERS:

- Associação Spin, Portugal
- Building The Balkans, Kosovo
- NaturKultur EV, Germany
- InMotion Armenia, Armenia

OBJECTIVES OF YE:

- Educate young people about the cultures of 5 countries
- To inform how different cultures in the past have influenced the dominant cultures of these 5 countries
- To increase the level of intercultural dialogue and understanding through cooperation between young people
- To motivate young people to actively engage in solidarity and inclusion initiatives in their own communities

Erasmus+

PARTICIPANTS CONTRIBUTION:

- This youth exchange will be focused on sharing participants knowledge and experiences with other young people. Here all of the participants are invited to be active, respectful and to contribute.
- In national teams participants will prepare the presentation about their countries cultural diversity, as a 'homework' for youth exchange.
- Also, there is an 'open space' sessions where all participants can suggest a workshop, discussion or activity. The main open space topics will be about: culture, prejudices, minority groups, representation in media, group activities, ect.
- So, if you have some strengths, knowledge - you can prepare workshop even before the YE or keep it in mind. You will receive support in sharing this if needed. You can also put in light what you wish to discover, but don't have knowledge, maybe someone else can share it.

WHO CAN APPLY:

- 5 youngsters from every country plus 1 group leader (6 in total)
- Young people from 16 to 30 years old
- Juvenile participants must have parental permission to participate in the activities
- The most important in selection process will be motivation of the young person to participate in YE
- You can apply or trough the application form of your sending organisation or trough the online application form:
